

Card Design 3

1. Glue layers 1 and 2 on the left and right sides of the card base then glue layer 3 centered between 1 and 2
2. Glue layer 4, topped with 5, leaving a space at the top of 4
3. Continue to glue all other layers in their numbered order, laying them out as shown in the template above
4. Finish by placing a row of 3 rhinestones on layer #8, as shown.
