

Card Design 4

1. Glue layer 1 on the left sides of the card base, leaving an even space around the top, bottom, and left sides
2. Glue the square layer 2, centered near the right edge of the card
3. Glue layers 3 & 4 as shown in the template above
4. Glue the bow in place, using the provided glue dot
5. Finish by placing a row of 6 rhinestones on layer #1, as shown.
