

## Card Design 6

1. Glue layer 1 into the center of the card base
2. Glue layers 2 through 5 as shown in the template above
3. Tie the provided ribbon to the tag as shown, trimming the ends if needed
4. Glue the layer 6 tag as shown in the template above
5. Peel the backing off the adhesive on the back of the mittens, taking care not to remove the adhesive from the felt. Press the mittens firmly into place as shown
